

Agusta A109 Power Elite

Take pleasure in a new traveling experience, with the Agusta 109A Power Elite! Fly for business or pleasure to any destination in speed, style and safety. Apart from its striking aerodynamic silhouette with the streamlined frontal area, the luxury, air-conditioned cabin accommodates six to seven passengers in a spacious, soundproof environment, equipped with a splendid leather seated interior. In addition to its elegance, the Agusta A109 Power Elite is one of the fastest commercial helicopters in Greece, traveling at the speed of 130nm per hour. Two engines and two independent flight control hydraulic systems, guarantee the highest level of flight safety.
